(Greenwood County)
AIR PERMIT # 1240-0046-CQ

Fujifilm has applied to the SC DHEC for an air construction permit to take limits at its existing facility for a new production process. A draft permit and Statement of Basis have been written by the BAQ outlining this proposed project and applicable regulations. This permit will enable the facility to construct and operate in compliance with state and federal air quality regulations. The draft permit has not yet been approved and is open to comment from the public and the United States Environmental Protection Agency (EPA).

Fujifilm owns and operates a photographic supplies and equipment manufacturing facility. The facility is requesting to produce Plastic Web with Clear Overlay Material. This is a new product which will be produced on the existing permitted production line, F-Plant Unit ID 15- Ink Jet Coating/Drying.

Emissions generated by this facility as a result of the proposed project will include Hazardous Air Pollutants (HAPs) and Volatile Organic Compounds (VOCs). If this permit is approved, a federally enforceable production limit of 20,000,000 square meters per year (m²/year) (maximum) of Plastic Web with Clear Overlay Material. The production limit applies to the product produced on the Ink Jet coating/drying line. This project, production of Plastic Web with Clear Overlay Material, will also be subject to 40 CFR 63 Subpart JJJJ - National Emission Standards for Hazardous Air Pollutants: Paper and Other Web Coating.

This construction permit will be incorporated into the existing Title V permit with no additional public comment period, provided all public participation and EPA requirements were fulfilled with notice of the construction permit action.

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by the end of the public notice period listed above, to Ruthie Hall at the above DHEC address or by e-mail at hallmr@dhec.sc.gov. All comments received by the end of the notice period, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to Ruthie Hall at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft permit, please contact Jo Anna Cunningham at the phone number listed above. A final review request may be filed after a permit decision has been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through the end of the notice period listed above, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Greenwood BEHS Office, 1736 South Main Street, Greenwood, SC 29646

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed

above. Copies of a draft permit or other related documents may be requested in writing to the Freedom of Information Office; fees may apply. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice, along with the draft permit and statement of basis, may be viewed through the end of the notice period on DHEC's website at: <http://www.scdhec.gov/PublicNotices/>.
